Comments:

4/4/2002 - Sent letter regarding operator request for payment of remaining \$20,000 for reclamation of the Drum Mine SWEX Pit. Request could not be granted until the amendment to the original contract had been approved. Amended contract has been approved; therefore, a check should be cut by the Division of Finance and be forthcoming shortly.

3/29/2002 - Received completed and signed Amendment One to Contract regarding disbursement of funds. Contract amount is \$210,000.00 to end May 15, 2002 (original contact ended 2/15/2001). Unforeseen circumstances and weather delays prevented Western States from completing the last phase of the contract work until 2/6/2002.

2/19/2002 - Received invoice for \$20,000 for work done on Drum Adit closure.
